## **Refuge Commemorative Stamps Could Herald Centennial**

As reported in the Winter issue of Refuge Reporter, a series of commemorative postage stamps is being considered, at the request of the U.S. Fish and Wildlife Service, to mark the refuge system's 100th anniversary in 2003.

The historical nature, the upcoming anniversary, and the visitor appeal of national wildlife refuges appear to meet the major criteria requirements for commemorative stamp issuance.

Letters of support would help to get the proposal approved. They may be sent to:

Citizens' Stamp Advisory Committee  
c/o Stamp Management US Postal Service  
475 L'Enfant Plaza, SW, Room 447E  
Washington, DC 20260.
