### Within

Shadow within a shadow,  
Circle within a box.  
Time within a moment,  
Pain within a loss.

Notes within a tune,  
Words within a song.  
Life within a heartache,  
Weak within the strong.

Thought within a memory,  
Day within a year.  
Joy within a sorrow,  
Water within a tear.

Love within a void,  
Stop within a start,  
Light within the darkness,  
Peace within a heart.
