Assateague Lighthouse

By Bob Marz

The new summer schedule having the lighthouse open for five days a week (Thursday through Monday) began on May 22nd. Hoping for significantly increased visitation numbers, the committee will be reviewing attendance figures at our monthly meetings.

Everyone is encouraged to visit the new sales area at the lighthouse, and while there perhaps look over the proposed museum area and make suggestions as to what you might like to see in the museum. All input is welcome.

In October there will be another Lighthouse Recognition Day, possibly in coordination with the National Wildlife Refuge Week celebration. As plans are not complete at this writing please contact the CNHA business office at (757) 336-3696 in the early fall for full schedule and details on the event.
