

[From Summer 1997]

Cyber-News

A great web site for anyone young or old interested in "Bugology" is the University of Kentucky Entomology Youth Facts site. Here you will find many interesting facts and information about insects. Resource materials, as well as fun for kids activities, abound. You can visit the site at:

<http://www.uky.edu/Agriculture/Entomology/ythfacts/entyouth.htm>

For those of you with an environmental education interest, professionally or otherwise, may want to visit the EE on the Internet site. Here you will find many EE resources, facts and data, guides and catalogs, contacts, references, and activities. Visit this site at:

<http://www.nceet.snre.umich.edu/>

For the dinosaur enthusiast, try Dinosauria Online at: <http://www.dinosauria.com/>

Have Fun!
