

[From Winter 1993 - 1994]

### **Art Contest a Success**

One of the highlights of the refuge's 50th Anniversary Celebration was the presentation of awards to the winners of the county-wide art contest. Nearly 200 Accomack County students in grades K- 12 entered the contest, which focused on the theme "50 Years of Wildlife Management." The Chincoteague Natural History Association donated cash awards for the first and second place winners in four age categories. Winners also received certificates and ribbons. First Place, Second Place and Honorable Mention artwork was displayed at the Refuge Visitor Center until December 15th.

**CNHA President, Bill Engelhart, presents awards to the group of Accomack County students selected as art contest winners.**
